Notes:

Sort order for awards is: Overall Score (BP and Modifiers but no players had any modifiers) – Victory Points – SoS

A player is only eligible for a gaming award if they played all 5 games

BIF = Best in Faction award for all factions with two players or more. Adeptus Astartes is Space Marine Chapters with only one player

Team awards were decided with the top three combined scores within a team. Ties were decided by adding in the fourth score from the team

Gumby was activated for round 3 only. He had a nice day out.
